Western Diversified Plastics, LLC & Mol-Son, Inc., LLC Scholarship
\$1,000 Scholarship

Formerly the EPC Scholarship, this scholarship was established in 1996 as the Engineered Plastic Components Endowed Scholarship in observance of EPC's 10th anniversary, as an expression of gratitude for the support shown over the years by the Mattawan Community.

The Western Diversified Plastics, LLC & Mol-Son, Inc., LLC Scholarship will be awarded to a graduating senior of Mattawan High School who wishes to pursue, at the college or university level, a major in Business, Engineering, or Plastic Technology.

In keeping with Engineered Plastic Components' tradition of community support and service, the scholarship recipient should document a significant level of involvement in community/school activities, which demonstrates a commitment to serving the needs of others.

Scholarship/Essay Criteria:

- The relevant preparatory course work you have completed while a student at Mattawan Consolidated School or outside the school environment. Be sure to include the name of the instructor or leader, dates of the course and location.
- Course of study in college.
- Highlight the service activities in which you have been involved during your high school years. These may include any school, community and church projects or membership in any organization that has the goal of service to benefit other people or groups of people.
- Your reflection on your experience(s) and what you learned.
- Your thoughts on why you deserve this scholarship.
- Your personal and career goals as well as what you hope to accomplish in life.

How to Apply:

Create your application packet using the four-step format below. No handwritten applications will be accepted. Submit four copies of all pages of your application, blacking out your name everywhere it appears on reference forms and letters. Your application will not be accepted without all four copies (the high school office cannot make copies).

Application Format (Complete all four steps and then make four copies of the application packet):

1. Cover Sheet
 - Type the **Name of the Scholarship** for which you are applying

- Type the **Last four digits of your Social Security Number** (NO NAME please as a blind process is used. Attach a sticky note with your name to the finished scholarship application so that the high school office secretary can log in your scholarship application.)
- Type your **Date of Birth**
- Type the **College or University you plan to attend**
- Type your **Major or Course of Study**
- Copy the **Scholarship/Essay Criteria** exactly as listed above

2. Essay

On a separate sheet, type your essay according to the specific scholarship criteria listed on your cover sheet.

- Use 12 pt. font
- Double space
- Two page maximum
- Be sure to include the last four digits of your social security number in upper right hand corner of each page.
- A title for your essay should be centered at the top of the first page.

3. Letters of Recommendation

- Enclose one character reference from someone outside your family, such as a group leader, advisor, coach, pastor, employer, etc. Please include his or her address and phone number on each letter.
- Ask one teacher to fill out the MPEF recommendation form provided on the school website. The teacher will send this form directly to the office. It will not be included in the packet of materials you submit, but will be added to your packet by one of the office staff. This recommendation form is specific to this scholarship application, as we cannot accept a letter the teacher may have written for you for another purpose (i.e., a reference letter from a teacher to be used for college admission).

4. Submit Four Copies of your Application Packet

- Make four copies of your application packet and submit them to the high school office.
- Make sure to black out your name everywhere it appears on reference forms and letters.
- Your application packet will not be accepted without all four copies. The high school office cannot make copies.
